Northstar Labs - Employee Handbook

Fictional sample document created for testing a RAG knowledge assistant.

1. Work Schedule

The standard workweek is Monday through Friday. Core collaboration hours are 10:00 AM to 3:00 PM Eastern Time. Employees may adjust their start and end times with manager approval as long as business needs are met.

2. Paid Time Off

Full-time employees receive 18 paid vacation days per calendar year. Vacation requests of three or more consecutive days should be submitted at least 10 business days in advance. Unused vacation may carry over up to 5 days into the next calendar year.

3. Remote Work Policy

Eligible employees may work remotely up to three days per week. Employees must maintain reliable internet access and be available during core collaboration hours. Permanent remote arrangements require written approval from the department director.

4. Learning and Development

Employees receive an annual professional development budget of $1,200. The budget may be used for approved courses, certifications, technical books, conferences, and workshops that are relevant to the employee's role.

5. Expense Reimbursement

Business expenses should be submitted within 30 days of purchase. Receipts are required for individual expenses over $25. Manager approval is required before booking airfare, hotels, or conference registrations.

6. Security Requirements

Multi-factor authentication is required for company email, source code repositories, cloud systems, and administrative dashboards. Passwords must never be shared through email, chat, or documents. Suspected phishing attempts must be reported to the security team immediately.

7. Equipment Policy

The company provides a laptop and necessary accessories for each employee. Lost or damaged equipment must be reported within 24 hours. Company devices may not be transferred to another person without approval from IT.

8. New Employee Onboarding

New employees must complete security awareness training within their first five business days. They must also review the employee handbook, set up multi-factor authentication, and complete required payroll and benefits forms during the first week.

9. Performance Reviews

Formal performance reviews are conducted twice per year, in June and December. Managers and employees are encouraged to discuss goals and feedback throughout the year rather than waiting for formal review periods.

10. Quick Reference

Topic	Policy
Vacation	18 days/year; request 10 business days ahead for 3+ days
Remote Work	Up to 3 days/week
Learning Budget	$1,200/year
Expense Receipts	Required for expenses over $25
Security Training	Within first 5 business days
Performance Reviews	June and December
